### S.A.W

Seerat refers to the study of the 'Life' of the Holy Prophet SAW (Peace be upon him) enabling you to embody and interact with the life of the Holy Prophet's SAW and renew yourself with the exemplary model of our Beloved Master!

## “ ——— Student Review

I particularly really learnt a lot during this course. It's a blessing to have a teacher like Hiba-tul-Shafi Sahiba who makes learning and understanding this course so easy. During this course, I noted significant improvement in me. I can see how the teacher takes the time to make sure that she understands everything that's going on in the class.

-- Azmat Wadood, Batch 1, Tajweed
